

8/28/08: Mike Wall named as President of Container Systems, Inc.

Westmont, IL -- Mike Wall has become President of Container Systems, Inc., taking the reins from his father, Bob Wall, who founded the company 40 years ago.

Mike has been in sales at CSI for the last 16 years. Prior to that he had worked on CSI's installation crew over summers while in high school and college. His degree from Indiana University is in Finance.

CSI designs, sells and installs materials handling storage equipment, including racks, shelving, mezzanines and containers.

“My father built a strong company, and I'm honored to continue that tradition. We are a sales organization and I'll continue to spend as much time as possible selling. I plan to grow the company through sales as well as innovative administrative management.”
